COMMENTS INVITED ON APPLICATION OF RCN BECOM, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 10-184
Comp. Pol. File No. 949

Comments Due: September 28, 2010

Section 214 Application **Applicant: RCN BecoCom, Inc.**

On **August 17, 2010**, **RCN BecoCom, Inc.** (RCN or Applicant), located at **956 Massachusetts Ave., Arlington, MA 02476**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of certain domestic telecommunications services in Somerville, Massachusetts.

RCN indicates that it currently provides local exchange and domestic long distance services to customers that receive service via the analog access node platform in Somerville, Massachusetts. RCN states, however, that it has decided to revise its business plan and that it plans to discontinue local exchange and domestic long distance services to these affected customers on or after October 14, 2010, subject to regulatory approval. RCN maintains that the proposed discontinuance will not adversely affect the public convenience and necessity because affected customers were provided with notice that affords them ample opportunity to migrate to RCN's digital service, where available, or to transfer to another carrier. RCN asserts that the basic local telephone services that are being discontinued are readily available from other carriers. RCN indicates that it notified affected customers of the proposed discontinuance by letters mailed on August 16, 2010. RCN states that it is non-dominant with respect to the services it proposes to discontinue.

In accordance with section 63.71(c) of the Commission's rules, RCN's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies RCN that the grant will not be automatically effective. In its application and notice to customers, RCN indicates that it anticipates discontinuing service on or after October 14, 2010. Accordingly, pursuant to section 63.71(c) and the terms of RCN's application and notice, absent further Commission action, RCN may terminate the affected services in Somerville, Massachusetts on or after **October 14, 2010**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **September 28, 2010**. Such comments should refer to **WC**
